

The Art of Make-up

CAUGHT IN A MAKE-UP RUT? For those of you who have ever felt lost with make-up application techniques or intimidated by the bright lights and sales pitches of the large department stores we want to share with you our solution.

'The Art of Make-up' is a hands-on workshop designed to guide you through a program of colour theory, principles and application techniques for any occasion. Forget about a long list of rules, this workshop will empower you with the confidence to make your own decisions. You won't get home and wonder what you were supposed to have learnt – rather you'll have a virtual make-up bag of practical tips and solutions for being your most beautiful

Cost : Only \$50 per head (includes face charts and take home notes)

Time: 1.30pm-4.30pm

Date: Saturday 12th September

Venue: Womenspace, 12-14 Homebush Road, Kedron

What we'll cover:

- Application techniques professional make-up artists use
- Learning how to apply make-up to accentuate your best features (and camouflage the others)
- Discovering how to use colour to your advantage
- Develop the confidence to experiment and apply make-up that best suits you

What to bring:

We will supply make-up products and tools for you to use on the day however you are welcome to bring your make-up bags and mirrors along so that you can ask application tips about products you may not be utilising. If you can arrive with a bare face, that would be great however, if you have make-up on, we will have cleansers for you to use.
